CENTRAL COMMITTEE

Organized by Election of Chairman
Solether and Secretary Dyre.

The Central Committee organized on Thursday by electing J. C. Solether of Jerry City, chairman, and Clyde Dyre, secretary.

It was also agreed that each candidate on the county ticket should select one member of the Executive committee and on Saturday afternoon they reported the following as members of that committee: F. J. Schriber, J. D. Conklin, M. C. Sherman, E. G. Baker, W. W. Sockman, C. D. Yonker, Azor Thurston, R. S. Sweet, H. H. Dillinger, J. M. Stecker, Geo. Yeager, George Fearnside, H. B. Saylor, S. A. Canary, Fred Yeager, E. G. Gill and M. B. Cook.

This is the largest committee appointed for many years, and is one of the strongest working committees ever appointed and will give a good account of itself in the campaign.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by C. P. Champney.

RETURNS SHOW GAINS.

The final casting up of the return of the various assessors over the twenty precincts and townships of the county has been made by the force at the office of the county auditor and shows that there has been an appreciable gain in the value of the property of the county.

The figures a year ago, as returned by the assessors, showed in amount of taxable property the sum of \$4,044,020 while this year their returns show a gain of \$71,140, or a gross total of \$4,115,160.

Several of the townships showed losses, including the wards of Bowling Green but these were more than counterbalanced by the gains which were made in the country district.

Kept the King at Home.

"For the past year we have kept the King of all laxatives—Dr. King's New Life Pills—in our home and they have proved a blessing to all our family," writes Paul Mathulka, of Buffalo, N. Y. Easy, but sure remedy for all Stomach, Liver and Kidney troubles. Only 25c at C. P. Champney's.

ANOTHER VICTIM

To the Deadly Grade Crossing at
North Baltimore.

On Sunday night at North Baltimore Main street crossing of the B. & O. R. R. a 14-year-old boy, Charles Ingram, was killed.

With a group of boys, he was standing near the track when the fast train whistled. "Boys, I'll beat the train across," said Charles, as he started to run across the track, and the next moment his body was struck by the engine and thrown into the air about 75 feet and killed.

Examination showed that his left leg was broken below the knee and at the hip joint, his neck was dislocated and a bad cut had been made on the back of his head, as he fell upon the stone west of Main street.

McCASLIN-LAFARREE.

On Saturday, June 4, 1910, at the M. E. parsonage, Rev. C. W. Webster pronounced the words that united in marriage Mr. Ray McCaslin and Miss Ruby LaFarree. The happy couple were accompanied by Leon LaFarree and wife.

Mr. and Mrs. McCaslin will make their home in Findlay, where the groom is employed and they have the best wishes of a host of friends for future happiness.

WALKER-FAHRER.

Miss Hazel Walker and Mr. Roy Fahrer, were united in marriage at the home of the bride's parents, Mr. and Mrs. John Walker, in this village on Monday evening at eight o'clock, only a few of the immediate friends and relatives of the contracting parties being present. They will make their home with the bride's parents for the present.

Squire Wetzel pronounced the words that made the happy couple one.

UNION REVIVAL SERVICE.

A union revival service will be held in a large tent in Perrysburg, east of the school house, beginning June 12, 1910.

Evangelist Wilson, the second "Billie Sunday," with his singer, Mr. Deck.

W. A. BOWEN IN TOWN.

Mr. W. A. Bowen of Honolulu, who occasionally comes to Perrysburg, recognized several improvements in our village during a short visit here last Saturday.

He spoke of the lifted grade and new walk on Main street approaching the railroad, and in Monument park noticed that the lamps, the fountain and the flag pole had been placed in since his visit. He expressed congratulation to the ladies who had accomplished so large a part of these civic improvements.

From the car window he also observed with admiration the care given the river bank along Front street and commended the public spirit of our citizens.

Marvelous Discoveries

mark the wonderful progress of the age. Air flights on heavy machines, telegrams without wires, terrible war inventions to kill men, and that wonder of wonders—Dr. King's New Discovery—to save life when threatened by coughs, colds, lagrippe, asthma, croup, bronchitis, hemorrhages, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal. It relieves instantly. It's the surest cure. James M. Black of Asheville, N. C., R. R. No. 4, writes it cured him of an obstinate cough after all other remedies failed. 50c and \$1.00. A trial bottle free. Guaranteed by C. P. Champney.

REPUBLICAN CONVENTION

Largest Gathering of Republicans
Held in Many Years.

That the Republicans are taking more than usual interest in politics this year, was manifested by the large attendance at the convention in Bowling Green last Thursday.

The delegates began to arrive early and it became necessary to secure the Chidester theatre for the use of the convention as the assembly room would not begin to hold the delegates.

The convention was called to order by E. L. Blue, who had been selected as chairman of the temporary organization. He made a brief speech in which he cautioned the Republicans to lay aside all personal ambitions and desires, and get together with but one desire and one determination, and that desire and that determination being the restoration to political power in Wood county of the Republican party. The audience gave frequent indications of their acceptance of the advice given and their intention to profit by it.

Editor Summers of the Bradner Advocate, was the temporary secretary.

The temporary organization was by unanimous vote made permanent and the chairman was authorized to appoint a Committee on Apportionment of delegates to the various conventions, and one on Resolutions.

The Apportionment Committee consisted of E. G. McClelland, E. R. Sage, F. P. Riegle, E. A. Norcross, and W. W. Coward.

The Committee on Resolutions was C. R. Painter, E. G. Underhill, W. R. Noyes, H. L. Hodges, and Guy C. Nearing.

While these committees were in conference Gen. J. Kent Hamilton, the Republican nominee for Congress from the Ninth district, was introduced and made a brief but pleasing speech which was received in the audience.

Convention then adjourned for dinner.

Afternoon Session.

Immediately upon resuming business the Apportionment Committee reported and the report was unanimously adopted.

Guy C. Nearing of the Committee on Resolutions presented a set of Resolutions as endorsed by three members, G. C. Nearing, E. A. Underhill and W. R. Noyes, (a majority) of the committee and moved their adoption. Following him H. L. Hodges representing C. R. Painter and H. L. Hodges presented another (or minority) report and moved their adoption as an amendment. The only difference in the two reports was a paragraph in the majority report endorsing the course pursued by our United States Senators—Chas. Dick and Theodore P. Burton in Congress, while the minority report omitted this endorsement and contained an endorsement of Hon. Geo. E. Reed as a candidate for State Senator. These two reports brought out a spirited discussion with G. C. Nearing and F. P. Riegle favoring the majority report and C. R. Painter and A. H. Lyon editor of the Sentinel-Tribune favoring the minority report. When the yeas and nays were called on the minority report about 97 per cent of the delegates voted to kill it and the majority report was adopted by an almost unanimous vote.

The resolutions as adopted are as follows:

Resolutions.

The Republicans of Wood county assembled in convention take renewed opportunity to voice their adherence.

DOINGS IN BASE BALL

Perrysburg Wins One From Ohio
Building Team.

The Perrysburg base ball team won another decisive victory on the home grounds last Sunday when they defeated the Ohio Building team by a score of 11 to 00. Divins was in the box for Perrysburg, and pitched his usual good game, allowing but four hits and striking out ten men.

Annick for the visitors, fanned ten of the local batsmen, but was found for 12 hits.

Perrysburg secured in every inning with the exception of the third and fifth.

The Perrysburg runners stole so many bases that they should be arrested for grand larceny.

Captain Dibling got into the game long enough to get one of the scores. Manager Hahn was out of town on Sunday—whether making dates for the team or filling one of his own, we were unable to find out.

Reis and Schuster were the leading run getters Sunday, each contributing three.

Spangler and Divins were the only players who were denied a score.

We hear that the Tigers have at last won a game—defeating the Maumee Juniors 3 to 4 with Ries pitching for them.

The Roachton team was defeated Sunday by a score of 17 to 9. Geo. Schwind says it was all on account of the Lime City boys having longer legs than the home team, and they could run faster.

Manager Hahn has a game scheduled for next Sunday with the Needham Allstars. This is probably the strongest amateur team in the city and is composed of semi-professionals. It is claimed that Gilhooley, who went south with the Toledo team this spring is with them. Perrysburg will have to play some ball to win from this aggregation.

"Jerry's Outlaws," or Jerry's Blues, which ever you wish to call them, are now thoroughly organized and are prepared to take a few scalps. Their first invasion will be into the wilds of McClure on June 19th, and if not totally annihilated there they will proceed to Sylvania on the following Sunday in search of blood.

STONY RIDGE.

Mr. and Mrs. Jno. Swartz and daughter Ruby, were Sunday visitors at Mr. Ed Weismann's.

Mrs. Mary Shook called on Mr. and Mrs. Walter Kurfs Sunday.

Mr. Parm Furry and lady friend of Toledo, ate Sunday dinner with Mr. Furry's mother.

Mr. Jno. Shook, Mr. William Hazel and Mr. Wm. Wagoner spent Sunday at Pittsburg.

Miss Edna and Clara Spilker and Mr. Christian Spilker were Sunday guests of Miss Lola Wagoner.

Mr. and Mrs. Ed Williams and son Harry of Sullivan, Ind., have been week end visitors at Sam McCutcheon's.

A few Stony Ridge people attended the funeral services held at Walbridge U. B. church for the little Korn boys, who died of scarlet fever several weeks ago.

Mr. and Mrs. Rolla Shook visited at Mrs. Shook's parents, Mr. and Mrs. P. Williams, near Toledo, Sunday.

Mr. and Mrs. Samuel Swope were visitors at Mrs. Swope's brother, James LaFarree, at Bowling Green, last Thursday.

The 1909 music club will meet at the home of Miss Katherine Blecky at Luckey.

Mrs. Geo. Furry is on the sick list. Booze is becoming a nuisance at this place, and if some who are eye witnesses to the effect would enter complaint, think it could be stopped.

Seems as though Luckey has quite an attraction for Ernest Shatzer, as he visits there twice a week.

NOTICE TO BIDDERS.

Sealed proposals will be received by the trustees at 2 o'clock p. m., on Saturday, June 11, 1910, for the roofing of the town hall, and the proper repair of the gutters, according to plans and specifications on file at the clerk's office. The trustees reserve the right to reject any or all bids.

By order of Trustees.
Attest: PHILIP WETZEL, Clerk.
